

[The Indiana Gazetteer or Topographical Dictionary of the State of Indiana
1850, Third Edition, 440 pages
E. Chamberlain, Indianapolis, Indiana](#)

This is a digitally reproduced version of the 1850 Indiana Gazetteer or Topographical Dictionary of the State of Indiana. Historians, genealogists and researchers of mid 19th century Indiana will find the vast amount of information in this book invaluable. This book contains topographical and historical profiles of the cities, towns and villages of 1850 Indiana. Indiana places and place names, many of which no longer exist in contemporary literature or on current maps are identified and discussed in this excellent early Indiana resource.

The book is organized in two parts:

Part First - General View of the State:

- * Boundaries, Extent and Area
- * Natural Divisions
- * Face and Peculiarities of the country
- * Natural History
- * Lakes and Rivers
- * Public Lands
- * Internal Improvements
- * Agricultural Productions
- * Manufactures and Commerce
- * Climate and Health
- * Education
- * Political Institutions - Civil Divisions
- * Population
- * Religious Denominations
- * Antiquities
- * History
- * State Institutions

Part Second - Topography and Statistics:

This is an extensive 290 page section of the book containing the description of many county, city, villages, places and place names too numerous to list here. The following is a partial list of cities and towns profiled in this part:
